D.No.901/COE/Sectt./26

Dated 07.06.2026

## NOTIFICATION

### Subject: Revision of results of B.Sc. Nursing Admission Test 2026

This is to notify all concerned that an error has been detected in the processing of results for admission to B.Sc. (Nursing), 2026 as detailed below:

1. As per Guide to Admissions 2026-27, there is a provision of Negative Marking in all Admission / Departmental Tests with incorrect answers resulting in a negative score of 25 per cent of the marks allotted to the question.
2. It is further given in the Guide to Admissions that '*....the provision of Negative Marking will not be applicable in the Admission Tests of B.Sc. (Nursing)....*'
3. Inadvertently, while processing the results of Admission Test of B.Sc. (Nursing), this provision of 'no negative marking' was not implemented and the results were processed and declared after incorporating negative marking for incorrect answers as applicable for all other Tests.

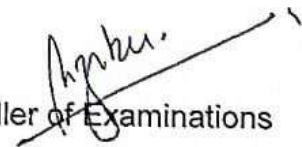

Taking *suo-moto* cognizance of the same, the University has decided to revise the results accordingly.

In view of the above, the previous displayed Select List, Chance Memo List and Special Category List (applicable for PwD candidates only) for admission to B.Sc. (Nursing) notified on 14.05.2026 stands withdrawn and cancelled.

The revised Select, Chance Memo List and Special Category List (applicable for PwD candidates only) for admission to B.Sc. (Nursing) have accordingly been notified and uploaded on the official website:
